Western Joint Branch

Special Event
Engineering on Tap Presents: Alternative Fuels

Presented by Paul James

Date: Monday, 18th of November 2024
Time: Ship open from at 18:15 for networking and pizza, talk starts at 18:45.
Venue: The MV Balmoral, Princes Wharf, Bristol, BS1 4RN

Background: Here at the Western Joint Branch, we are always looking for new and exciting ways to bring our members together for knowledge sharing and networking. We understand that formal presentations are not everyone's cup of tea and so, we are proud to host "Engineering on Tap" for a second year.

This event will provide informal networking opportunities and a special guest speaker you can see whilst enjoying a pint of your favourite beverage in a relaxing pub setting. This free event is open to all ages, all members, scientists and technologists alike. Whilst we regretfully cannot provide any free beer, but there will be Pizza for attendees during the talk!
