

The Royal Institution of Naval Architects

**Preparing Your Application for Member of RINA (MRINA)  
With Engineering Council Registration**

**ACADEMIC QUALIFICATIONS**

**ACADEMIC QUALIFICATIONS, OR EXPERIENCE IN-LIEU**

For any candidate applying to MRINA or MRINA + Engineering Council registration, you are required to have achieved underpinning knowledge and understanding at degree or diploma level in a subject relevant to the design, construction, maintenance and operation of marine vessels and structures.

Such knowledge and understanding may have been achieved through formal study, leading to the award of an approved academic qualification, or through experience in the workplace, or a combination of both.

**PREPARING FOR YOUR APPLICATION  
THE REQUIREMENTS**

If you wish to apply for MRINA alongside Engineering Council registration, you must demonstrate that you both:

If you have worked for a company who has an accredited IPD training scheme from RINA, you will need to have the following to apply for either MRINA only, or for MRINA + Engineering Council registration

| Membership Grade Applying for | <b>MRINA and / or Engineering Council Registration via accredited IPD schemes</b>   |
|-------------------------------|---|
| Accredited IPD Scheme         | <p><b>How to apply:</b></p> <ol style="list-style-type: none"><li>1. An up-to-date Extended CV. RINA will not accept a simple 'job application' or LinkedIn Profile link.</li><li>2. A copy of the RINA Accredited IPD Scheme form, completed and signed by your employer</li><li>3. A summary of your CPD and self-development reflections / activity (X2 A4 sides maximum)</li><li>4. Certified Copy of your degree certificates</li></ol> <p>Additional Requirement:</p> <p><b>Please check the academic requirements of the grade you are applying for. You may need to submit an additional document:</b></p> <ol style="list-style-type: none"><li>5. <b>The Experiential Work Report if your qualifications do not meet the requirements</b></li></ol> |
